

Clear Poly Tabs

Clear Poly Tabs are the best choice available for tabbing colorful mailing pieces and Matrix Label is the best choice for Clear Poly Tabs if you are looking for higher running speed and fewer web breaks.

Our Clear Poly Tabs offer a strong liner that will prevent web breaks and a rigid clear poly face sheet.

To Order: Select your tab and contact us today at **800.962.7256** or by fax at **317.839.8496**.

- Material: 2.5 mil Clear Polystyrene with 40# Liner
- Compatible with all tabbers that are able to run clear poly
- All tabs are wound onto 3" cores
- Back printed for proper sensor read

Translucent Paper Tabs

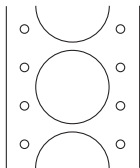

Our traditional Translucent Paper Tabs are compliant with the new USPS regulations for booklets and folded self-mailers. While they are not completely clear, they are a good alternative when tabbing high color and graphic based mailings. With the ability to be broken without a perf they offer an advantage that clear tabs do not. Matrix Label uses only high quality translucent facestock to produce a fast running and reliable tab.

To Order: Select your tab and contact us today at **800.962.7256** or by fax at **317.839.8496**.

- Material: Translucent paper facesheet with a 40# Liner
- Compatible with all tabbers that are able to run translucent paper
- All tabs are wound onto 3" cores
- Back printed for proper sensor read

Ultra Translucent Paper Tabs

Our Ultra Translucent Paper Tabs are dramatically clearer than standard translucent tabs and are compliant with the new USPS® regulations for booklets and folded self-mailers. While they are not completely clear, they are an excellent alternative when tabbing high color and graphic based mailings. With the ability to be broken without a perf they offer an advantage that clear tabs do not. Matrix Label uses only high quality Ultra Translucent face stock to produce a fast running and reliable tab.

To Order: Select your tab and contact us today at **800.962.7256** or by fax at **317.839.8496**.

- Material: Ultra Translucent paper facesheet with a 40# Liner
- Compatible with all tabbers that are able to run translucent paper
