

Laser Labels

Matrix Label Systems' **Laser Labels** are manufactured from only high quality paper stock. Our products have been thoroughly tested to provide superior toner anchorage for crisp, no-smudge text and have the ability to withstand the heat applied to them during the laser printing process. Whatever your need may be, our laser labels have been specifically designed to be used in any laser printer.

To Order: Select your laser label and contact us today at **800.962.7256** or by fax at **317.839.8496**.

- Material: Bright White laser imprintable paper
- Compatible with all laser printers
- Chipboard backed and shrinkwrapped to eliminate damage during transport
