

# Laser Tray Tags

Matrix Label Systems' tray tags are manufactured from bright white and pink, durable tag stock designed to provide crisp, no-smudge text and withstand the abuse associated with handling and mailing. Our tags provide consistent perforations for easy separation and are specifically designed to meet or exceed all postal regulations.

To Order: Select your laser tray tag and contact us today at **800.962.7256** or by fax at **317.839.8496**.

- Material: Bright White 90# Index or Cherry 90# Index
- Compatible with all laser printers
- Chipboard backed and shrinkwrapped to eliminate damage during transport
